# \$25,000

- ✓ Fixed price footings on all Next Gen homes
- ✓ 20 week guaranteed build time\*
- ✓ Standard inclusions that other builders offer as upgrades

In these uncertain times, making crucial financial decisions can be difficult. At Weeks, we believe every South Australian deserves the opportunity to build a home and we are doing everything we can to ensure you don't lose sight of your dream.

We're committed to giving you 'more' and that's why we are including fixed priced footings, guaranteed build times and better inclusions, providing you, both peace of mind and more certainty going into the build process.

But that's just the beginning! We understand that many South Australian families will miss out on the Government Home Builder grant due to eligibility criteria – specifically timeframes.

We want to keep your dream of building alive, and that's why we're guaranteeing \$25,000 cashback on our new range of Next Gen homes!

Talk to our team today about building a new home with less stress and 'More Certainty'.
